

Lesbrief: lezen en woordenschat 'de woestijn'

Doelgroep: 3/4

Doel: woorden leren en lezen m.b.t. de woestijn

Dit materiaal is oorspronkelijk ontworpen bij het BLINK! thema: 'Op ontdekkingsreis'.

Dit lespakket bevat:

- Een werkboekje op niveau Start - M3.
- Een werkboekje op niveau E3.
- Een woordslang als samenwerkingsactiviteit.

Uitleg woordslang: deel per groepje een setje kaarten uit. Leg de start tegel neer. Lees het woord wat op de starttegel staat. Vind het plaatje bij dit woord, en lees het woord dat naast dit plaatje staat totdat de finish is bereikt.

Tip: de werkboekjes zijn makkelijker in te vullen na het spelen van de woordslang. De meeste woorden worden daar al behandeld.
